

The Wells Community Centre is finally **YOURS AGAIN**

After an 8-year campaign, Wells residents finally get the keys to the Wells Centre

The community centre at the heart of The Wells estate – closed in 2015/16 – is back in community hands, thanks to the hard work and support of local residents.

Now, we need your help and involvement to restore and re-open your Wells Community Centre.

The path to re-opening

On 10th February 2023, the Epsom Wells Community Association (EWCA, a charity made up of local residents) signed a lease with Epsom & Ewell council for The Wells Centre site for the next 125 years.

But, to keep that lease, the centre has to re-open and start making money, and that's where you come in.

How you can help

Volunteer your time and skills

After years of neglect, we need to clean, repair and renovate before we can think about opening. We'll need skilled and unskilled volunteers to help. These include...

- Carpenters
- Cleaners
- Electricians
- Flooring experts
- Heating engineers
- Plumbers
- Tree surgeons

Donate

We're all feeling the pinch, but without money to pay for utilities, insurance and rent, we'll lose the centre again. Any amount you can spare will help keep the lights on (literally).

Sign up to the mailing list

The simplest way to get involved is to show your enthusiasm and join our mailing list (see details on the reverse). We'll keep you updated and won't spam you. Promise.

Register booking interest

Got a keep-fit class, book club or NHS outreach facility you want to run in the future? The Wells Community Centre would love to hear from you. We're not ready to accept bookings, but this will help us plan our re-fit. Email us at contactewca@gmail.com

Spread the word

Tell local friends, colleagues and businesses that the all-new Wells Community Centre is coming soon. The more interest we have, the better.
